

Instructions for completing this entry form:

1. Enter the brand name (as you wish stated in final publications) here: _____
2. List all varieties in column 1 of page 2 under "variety name."
3. Place a number "1" in boxes to designate where each variety is to be entered. (See the map on page 4 for site locations).
4. Calculate the total pounds of seed needed per variety and total cost per location (entry cost and pounds of seed are at the top of each column). *These totals will be automatically calculated if using the spreadsheet.*
5. Complete the variety characteristics table (on next tab of spreadsheet) for each variety entered.
6. Complete the company contact information section on page 3.
7. Return one copy of the application via mail or email. **(Due by Aug 19)**
8. Make checks payable to the *Univeristy of Nebraska* for the grand total and send to the address below. **(Due by Aug 26)**
9. Send the total amount of seed needed for each variety to the shipping address below. Seed for all locations may be sent in bulk. **(Due by Aug 26)**
10. **We reserve the right to charge additional handling fees for late entries or late delivered seeds.**

Entries are due by **August 19, 2019**. Early entry submission is highly encouraged!
