

2015 SORGHUM SYMPOSIUM

Plan to Attend!

Thursday, January 22, 2015

Grand Island, NE

Midtown Holiday Inn, 2503 S. Locust Street

It's prime time for sorghum!

The 2015 Sorghum Symposium is a farmer-focused educational program designed to provide information and resources to help farmers make informed production and management decisions for their operation.

Program highlights include:

- ◆ **Long Range Weather Outlook**—Al Dutcher, UNL, State Climatologist
- ◆ **WHY and HOW to Plant Sorghum**—Dr. Bob Fanning, SDSU Extension
- ◆ **Sorghum's Growing Market Demand**—US Grains Council Representative
- ◆ **New Management Practices for Sorghum**—Dan Berning, DuPont Pioneer
- ◆ **Use of Humic Acid—Residue Breakdown & Yield**—Mick Godekin, United Suppliers
- ◆ **Results of On-Farm Research—Application of Sugar on Sorghum**
Jenny Rees, UNL Extension
- ◆ **Producer & Marketing Panel**—Q & A Session with growers and grain merchandisers
- ◆ **NeGSPA Annual Meeting**—will include checkoff update and chance for public input
- ◆ **Commercial Exhibits**
- ◆ **Certified Crop Advisor CEU's have been applied for**

Register by email to sorghum.board@nebraska.gov OR

Call: 402-471-3552

There is no charge to attend the Sorghum Symposium and lunch is included.

Registration begins at 9:00 AM
