

2010 Panhandle No-Till Bus Tours

**Northern Panhandle
June 17th and 18th**

**Southern Panhandle
June 22rd and 23rd**

Take a ride with us and see what your neighbors are doing. The Panhandle No-Till Partnership, Nebraska No-Till Cadre, SPNRD, UNWNRD, Panhandle RC&D and NRCS are hosting 2 No-Till bus tours; one in the southern Panhandle and another in the northern Panhandle. Along the way, we will visit 10 to 12 producers who have been no-tilling for several years, producers who are just starting out, dryland and irrigated, and forage cocktail fields. You may participate in one or both tours.

Registration for the 2 day-1 night tour is \$75 double occupancy, \$100 single occupancy, \$125 for couples. It includes the bus ride, hotel room, and 2 lunches. The evening meal will be on your own.

Dr. Ray Ward and Paul Jasa will be joining us on the Northern Tour.
