

State extension educators/agronomists

Data on crop management (historical and 2014 planting dates and dominant plant density and hybrid maturity) and soil type at each location were provided by local extension educators and agronomists

Jennifer Rees
(Univ. of Nebraska)

Keith Glewen
(Univ. of Nebraska)

Mark Licht
(Iowa State Univ.)

Ignacio Ciampitti
(Kansas State Univ.)

Charles Shapiro
(Univ. of Nebraska)

Greg Kruger
